

Helping Needy Kids Have A Christ-filled Christmas

A Simple Idea...With A Twist!

Much like the idea of filling and wrapping a shoebox to send to needy children, the **Virtual Christmas Gift Box** program has *the church* send our Free Methodist Missionaries in Bulgaria, Romania, and Macedonia those funds that you would have spent, and *they* purchase and put together an age-appropriate gift for an orphan, street or poor kid.

Why Are We Doing It This Way?

- Our dollar goes farther in this part of the world. Most items purchased are less expensive than if purchased in America.
- It helps their local businesses/livelihood groups.
- It saves money spent on shipping, customs, and taxes.
- Our missionaries can tailor the boxes to fit the needs, and ages of the kids served.
- It makes the local Free Methodist Church a hero as it is seen giving and caring for those in need.

How much does a box cost?

Every gift will include an age-appropriate large gift, hat, and gloves, a Gospel presentation (varies depending on age) small surprise gift, and some Christmas candy. *The suggested amount per child is \$15.*
