

### Prayer Points:

1. Paving/Asphalt costs line up with our budgeted allowance (our biggest budgetary concern).
2. Favor with Lasko Foundation as we apply for a grant to provide funding for furnishings inside the building and complete alternates excluded from the project (finished Mezzanine level, Sails/platform on the back of the building).
3. Discernment among Building Team as they manage an extremely tight budget.
4. Perfect peace as we rely on God to “Build His Church” and a proper perspective concerning our part as His co-laborers.
5. Managed expectations and attitude of gratitude for what God is choosing to do among us.
6. The work of the Revitalization Team to establish sound missional strategies to engage people within our sphere of influence in the discovery process of a life rooted in peace, hope, and purpose found only in Jesus.
7. We, as a Body, practice a life saturated in the presence of the Holy Spirit. Standing...Looking...Asking... Walking. *Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your souls.* Jeremiah 6:16
8. We live out our purpose as partners with God in ministry. *The Spirit of the Lord GOD is on me, because the LORD has anointed me to bring good news to the poor. He has sent me to heal the brokenhearted, to proclaim liberty to the captives and freedom to the prisoners;* Isaiah 61:1 *For we are God’s fellow workers; you are God’s field, God’s building.* 1 Corinthians 3:9
9. God will supply the resources and a candidate for a Music/Worship/Outreach Leader.
10. Strength, encouragement, and support of our Pastor in his role as our shepherd, spiritual guide, and discipler-in-chief.

### Praise Points:

1. The sale price for the Farmhouse and 10-acres exceeded the list price.
2. Lima Township has shown us favor by not requiring us to resubmit a Special Use application.
3. Our General Contractor is working hard to find savings at every step of the design/bid/build process.
4. We are experiencing a unified sense of leadership and decision-making.
5. We have a beautiful piece of property that is completely paid for and a \$1M balance in our building fund to go toward construction costs for our worship and gathering center.
